NATION WIDE RECALL NOTICE: Heckler & Koch firearms

Heckler & Koch GmbH Germany is voluntarily recalling all firearms from the sporting and commercial markets in the USA.

To whom it may concern,

As part of our company's new responsibility policy we hereby inform you that Heckler & Koch, as of May 1st 2017, has ceased the supply of firearms to the domestic market in the United States of America.

Bound by the commitment to promote the protection of peace and human rights worldwide, as is enshrined in the German Constitution, Heckler & Koch's export policy has come under ethical review.

Owing to the rise of firearm-related deaths in your country in conjunction with the threat of ongoing civil unrest and a highly volatile foreign policy under the administration of President Donald Trump, the German headquarters no longer deem the USA a safe destination country for weapons exports.

This recall is being carried out to the wholesale and retail level. Your assistance is appreciated and necessary to help our company maintain its reputation on the global market and uphold the German law.

Please fill out the enclosed response form and send it back to Heckler & Koch GmbH, Heckler & Koch Str. 1, 78727 Oberndorf a.N. in Germany by May 12th 2017.
